

GROUP TOURS AND PROGRAMS

WASHINGTON STATE PARKS

The following programs have been developed to provide group educational opportunities at State Parks in the Olympic View Area. Some programs are only offered at specific parks. Group programs need to have a minimum of eight people and can be requested by clicking [here](#) to fill out a form online. Please give at least two weeks' notice for scheduling. Group programs may not be available during the summer months due to increased public programming. Questions about accessibility? Contact Kelsey Lang, interpretive specialist, at kelsey.lang@parks.wa.gov.

Are You As Smart As An Animal?

In this interactive program, participants will learn that animals are smart in their own way. We will explore the different skills that animals use to survive.

- Grade Levels: K-2nd grade
- Time: 2 hours
- Max group size: 30

Sound is all Around

Through the discovery of sound, we will draw connections between history and nature in this interactive program.

- [Fort Worden or Fort Flagler](#)
- Grade Levels: K-5th
- Time: 2 hours
- Max group size: 30

Meet a Tree

Experience what it is like to be a tree. Three interactive activities will help participants become more aware and understanding of plant life.

- [Fort Townsend and Anderson Lake](#)
- Grade Levels: 3rd-5th
- Time: 1 ½ hours
- Max group size: 30

Jr. Preservationists

Learn how we protect historic structures and how you can help.

- [Fort Worden or Fort Flagler](#)
- Grade Levels: 1st-5th
- Time: 1 ½ hours
- Max group size: 30

GROUP TOURS AND PROGRAMS

WASHINGTON STATE PARKS

Explore the Batteries Through Time

In this combination of history and science, participants will learn about the purpose of the fort as well as how weathering has affected the fort over time.

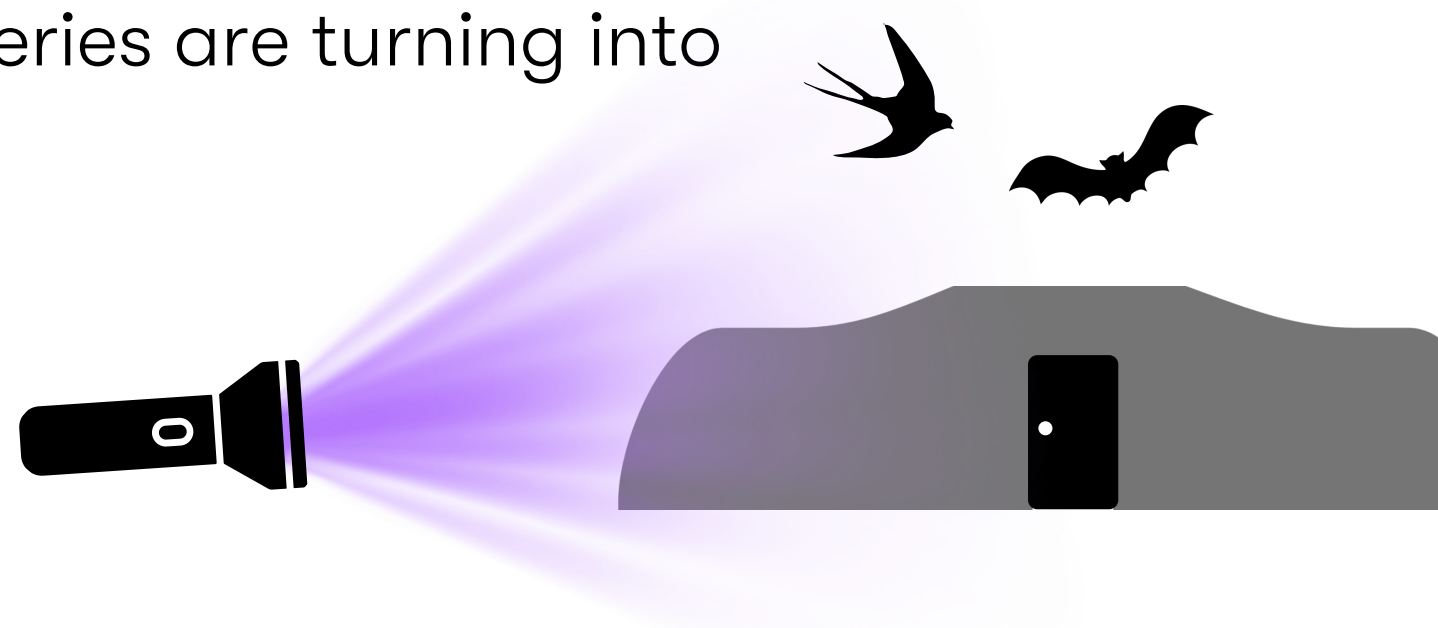

- [Fort Worden or Fort Flagler](#)
- Grade Levels: 6th-8th
- Time: 2 hours
- Max group size: 30

View the Batteries in a New Light

Have you explored the batteries at Fort Flagler State Park? If so, you haven't seen them quite like this before! Learn how the batteries are turning into caves!

- [Fort Flagler](#)
- Ages: 8 years and older
- Time: 1 hour
- Max group size: 15
- Distance: less than a mile

Walk Like a Fox

This interactive hike will consist of multiple activities designed to teach nature awareness skills and deepen one's connection to nature.

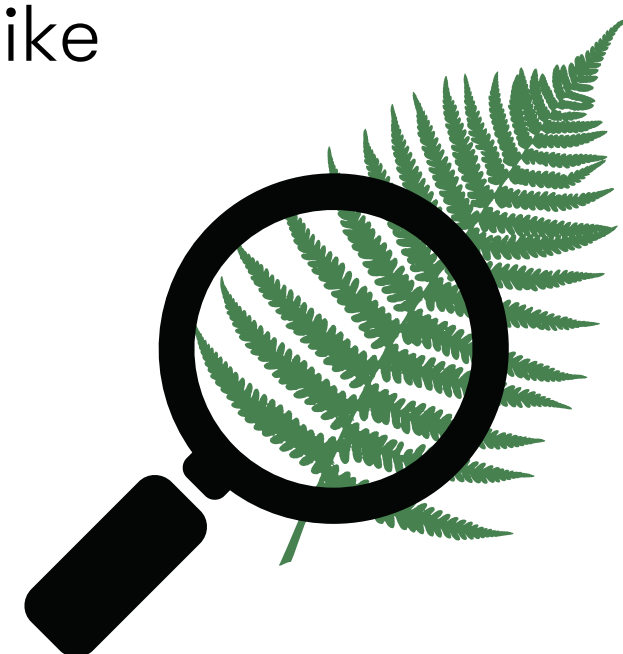

- Ages: 8 years and older
- Time: 1 ½ hours
- Max group size: 15
- Distance: varies depending on location

Nature Detectives

This interactive hike is perfect for scout groups. Learn how to think like an animal and look for signs of wildlife in the forest.

- Ages: 5- 12 years old
- Time: 1 ½ hours
- Max group size: 20
- Distance: varies depending on location

GROUP TOURS AND PROGRAMS

WASHINGTON STATE PARKS

Artillery Hill Tour

What was the fort protecting? What was it like to man the gunline? Learn all this and more during a walking tour through the main gunline on Artillery Hill.

- Fort Worden
- Ages: 8 years and older
- Time: 1 hour
- Max group size: 30
- Distance: less than a mile

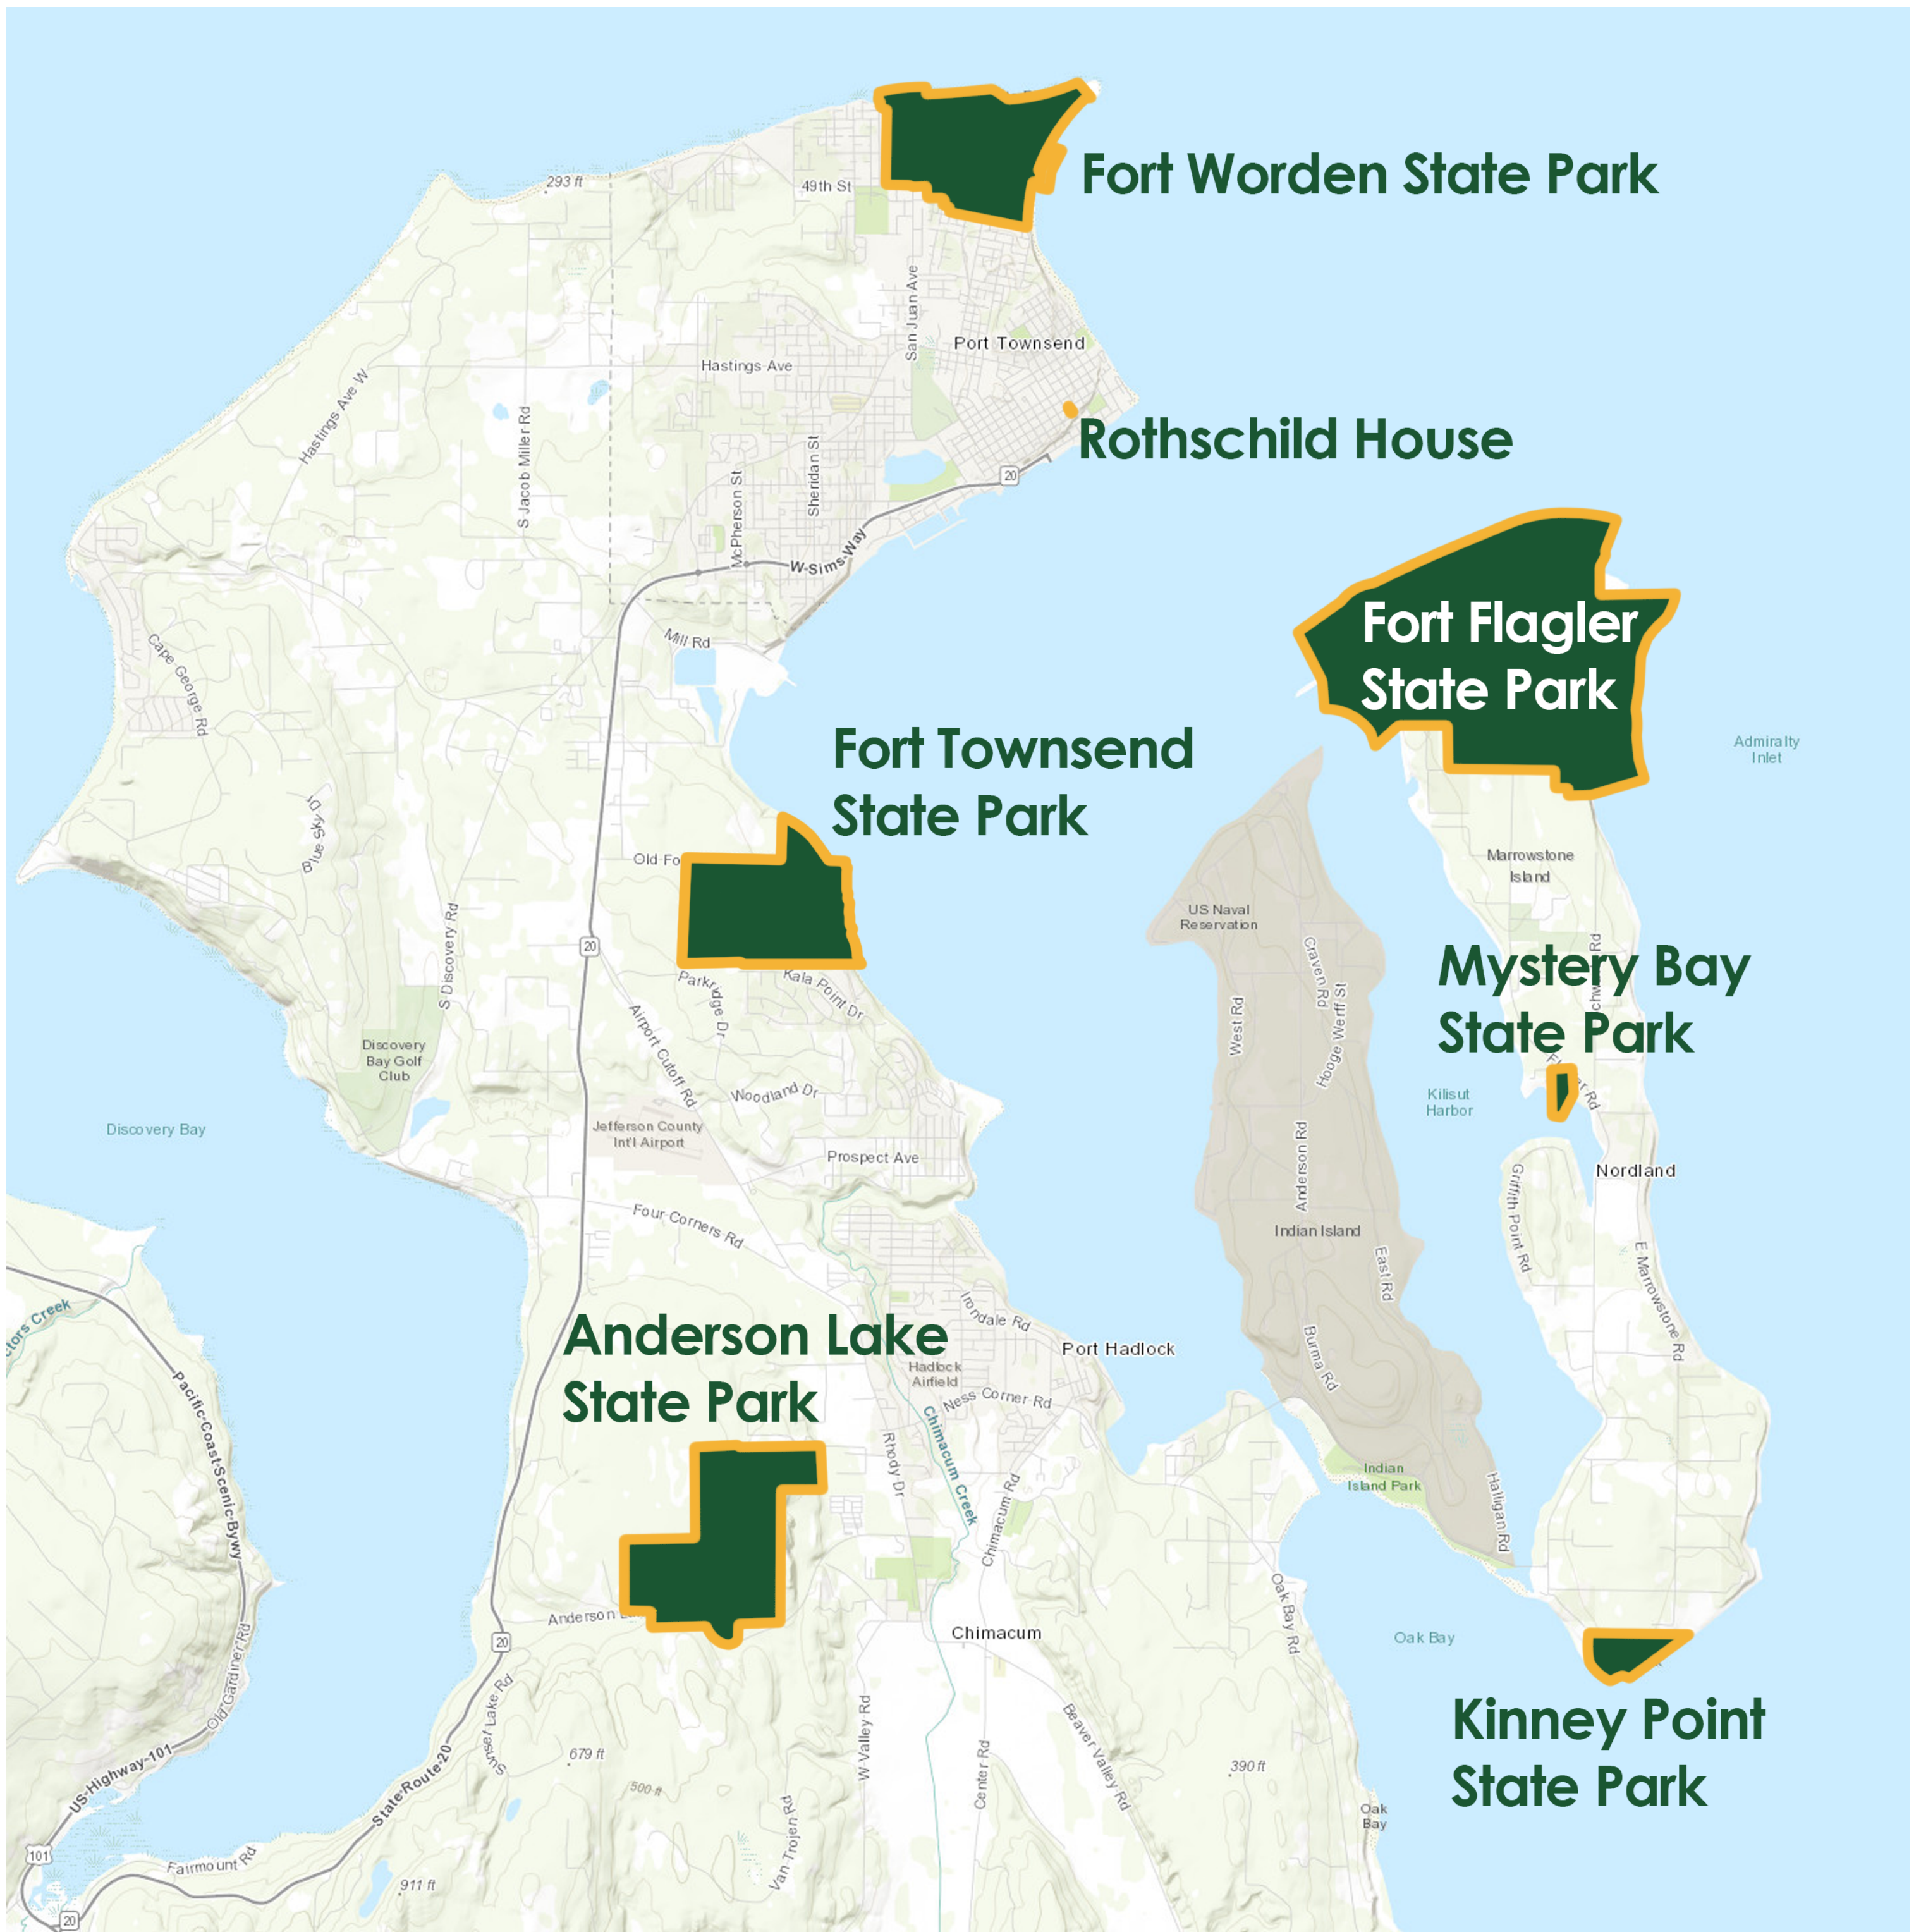

Fort Tour for Active-Duty Soldiers

Learn how the Coast Artillery Corps evolved into a new arm of the service under the U.S. Army at the turn of the 20th century. Explore historic gun emplacements and visit our partners at the Coast Artillery Museum.

- Fort Worden or Fort Flagler
- Options: guided or self-guided tours
- Time: varies
- Max group size: 150
