State Parks

How do we make **Alta Lake and Bridgeport state parks** better? The Washington State Parks and Recreation Commission is working on long-term plans to improve these two parks. Input from the community this past summer has led to ideas for future growth. State Parks staff would like to hear from you about day-use, camping, parking,

Dept. of Transportation

What do you think about **walking, bicycling and rolling** to get where you want to go in Brewster? Washington State Department of Transportation staff want you to help shape the state plan and future projects. Let us know what enables or prevents you from walking, biking or rolling. Where/how should improvements be
