

Outdoor scavenger hunt

The outdoors are exciting places to explore! As you explore nature (or outdoor space), try to find something which represents each of the items below. Draw or write what you find in the boxes.

Did you know?
There are more than 40
plants that are only found
in Washington.

Something green

Somewhere an animal lives

Something red

Something growing

Something older than you

A source of water

Something yellow

Something decomposing

Something blue

Creative challenge: What was your favorite thing you found while exploring outside and why? _____
