Twenty-five Mile Creek State Park is nestled in the midst of spectacular scenery on the forested south shore of Lake Chelan. This 235-acre camping park features rugged, old-style tent campsites that lie along the shaded rocky shores of Twenty-five Mile Creek and RV sites upland from the creek. A modern marina offers excellent boating access to the upper reaches of Lake Chelan.

A protected wading area (no lifeguards) offers fun for families. Visitors also enjoy hiking and fishing. The park is 18 miles from Chelan, which has a variety of amenities, entertainment and tours, including a passenger ferry ride to Stehekin, a town at the head of the lake.

Vacation House
Built in 2009, this beautiful mountain retreat is one mile outside of 25 Mile Creek State Park and about 10 miles from Lake Chelan State Park. Once the home of a park ranger, this 2,400-square-foot home is now open for a peaceful vacation retreat. The views from this home are stunning with Lake Chelan below and mountains in all directions. The house accommodates seven guests. It has three bedrooms (two queen beds and one twin bed), two bathrooms, and is fully furnished with bedroom linens, towels, dishes, pots, pans and utensils. Vacation house customers also have free use of the marina slip at 25 Mile Creek State Park. To make a reservation, visit online at www.parks.state.wa.us or call (888) CAMPOUT or (888) 226-7688. Reservations can be made up to nine months in advance of arrival date. Smoking and pets are not allowed in the vacation house.

Boating and moorage
Modern moorage is available for 20 boats up to 23 feet long. Moorage slips are generally reservable from July depending on the lake water level. Please visit the Chelan County Public Utility District website, www.chelanpud.org, for more information on the lake’s water level.

Overnight accommodations
The park has 46 standard campsites and 21 hookup campsites with a maximum utility length of 30 feet. Thirteen of the RV sites are full utility, with water, electrical and sewer, while eight have water and electricity only.

A small group camp is available for up to 50 guests. It is located in a grassy area separate from the campground. Fees vary according to the size of the group.
