1.2 PROJECT DESCRIPTION

The Palouse to Cascades trail is a 287-mile cross-state trail starting near North Bend and ending at the Idaho border. The trail was previously a railroad corridor known as Milwaukee Road Corridor.

The general section of trail where these efforts take place is between Rock Lake and the Idaho border. The project will be broken down into phases as funding becomes available.

Phase 1

Evaluate the tunnels and trestles identified in the table below. Identify the magnitude of repairs or total replacement and provide a cost estimate for design and construction for each structure.

Phase 2

Design tunnel and trestle repairs as agreed upon as funding allows or becomes available.

Phase 3

Bidding assistance and construction contract administration, and project closeout as required and as funding becomes available.

State Parks has the right to break out Phase 2 and 3 into smaller sections of the trail as it makes sense for funding. Example being structures between Kenova and Rock Lake, or from Rosalia to Tekoa, etc.

Statement of Work

- Evaluate the structural integrity of the individual structures and identify repairs required, the cost estimate of design, and the cost estimate for construction.

See RCW 1.80.

It is State Parks' expectation that the Bidder's bid response email will contain an attachment with all of the required documents scanned as a PDF, including any required signatures.

The maximum file size for an e-mail attachment is 30MB. Zipped files cannot be received by State Parks and cannot be used for submission of bids.

Bidders are required to submit the bid response electronically by email/email attachment to the address below.

Send your bid response to: BidBox@parks.wa.gov.

You are welcome to follow up with an email to contracts@parks.wa.gov and ask confirmation of receipt and the Contracts Specialist can send a reply to the sender of the bid response. 3.2 RESPONSE LAYOUT REQUIREMENTS

All pages in each attached file must be consecutively numbered. All pages must also contain the name of the Consultant, and the respective Appendix reference letter to which it applies. The required information may be located at the top or bottom (header or footer) of each page, but the location must be consistent throughout.

NOTE: Any attachment or exhibit to a response has to be adequately labeled -- to include the category/section/question to which it corresponds. If evaluators cannot easily identify the exhibited material to the evaluation question, or to the respective Consultant, the attachment may be disregarded.

4 EVALUATION AND AWARD

4.1 DETERMINATION OF RESPONSIVENESS

All Responses received by the stated deadline will first be reviewed by the Procurement Coordinator to ensure that the Responses contain all of the information required in this RFQ. Only responsive Responses that meet the requirements will be forwarded for further review. Any Response that does not contain all of the required information or any Consultant who does not meet the mandatory qualifications will be rejected as non-responsive and will be removed from further evaluation. However, the Procurement Coordinator has the right to waive, and/or seek correction of minor informalities that do not alter the content of the Response.

4.2 GENERAL EVALUATION PROVISIONS

The evaluation process is designed to award a contract to the Consultant with the best quality attributes based on the selected evaluation criteria.

Evaluations of subjective material (Appendix C) will be conducted by the evaluation team. State Parks has sole discretion over the selection of evaluators and will make such selections based on each potential evaluator's knowledge, skills, and experience with the subject matter. Each evaluator will independently grade and score the Consultant's material based on their own independent judgment, and in accordance with the format noted below for each respective requirement. Evaluators will only evaluate the material contained in the Responses and will not incorporate outside material into their determinations. Each evaluator has sole discretion over his or her final scores.

Consultants should take every precaution to assure that all answers are clear, complete, and directly responsive to each specific requirement.

4.3 PREFERENCES AND PENALTIES

Preferences and penalties that are required by law, rule, or competition document will be applied to bid pricing. A preference reduces the bidder's stated price by the amount of the preference and is an advantage to the bidder. A penalty increases the bidder's stated price by the amount of the penalty and is a disadvantage to the bidder. Preferences and penalties are applied to the pricing for evaluation purposes only but are not applied for purchasing purposes if awarded the contract.

- a) Determine Reciprocity under RCW 39.26.271, WAC 200-300-075, DES Reciprocity Information, DES Reciprocity Map (list). Determine the business address from which the bid was submitted. Oral presentations, if considered necessary by State Parks, may be utilized in selecting the winning response. State Parks, at its sole discretion, may elect to select the top-scoring firm(s) from the written evaluation for an oral presentation and contact the top-scoring firm(s) to schedule a date, time and location for an oral presentation. Commitments made by the Consultant at the oral interview, if any, will be considered binding.

The oral presentation shall determine the apparently successful consultant.

4.6 SELECTION OF APPARENT SUCCESSFUL CONSULTANT

Note: The Consultant meeting all responsive criteria and having the highest final cumulative score will be selected as the Apparent Successful Consultant (ASC).

State Parks will notify the Apparent Successful Consultant(s) and the non-successful Consultants via email.

4.7 ANNOUNCEMENT OF APPARENT SUCCESSFUL CONSULTANT

Following the announcement of the ASC, Consultants may request a Debrief conference. The Consultant will have a short period of time to request the Debrief conference. NOTE: a Debrief conference is a mandatory prerequisite for any Consultant desiring to protest the award.

5 DEBRIEF AND PROTESTS

5.1 DEBRIEFING OF UNSUCCESSFUL CONSULTANTS

Consultants who submitted a Response will be given the opportunity for a debriefing conference. The Procurement Coordinator must receive the request for a debriefing conference within three (3) business days after the notification of unsuccessful Consultant email is sent. The debriefing shall be held within three (3) business days of the request.

Discussion will be limited to a critique of the requesting Consultant's Response including the factors considered in the evaluation of that Response and the Consultant's performance with regard to the solicitation requirements. Comparisons between Responses or evaluations of the other Responses will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of thirty (30) minutes.

5.2 PROCUREMENT RECORDS DISCLOSURE

A Consultant may request copies of the solicitation and evaluation documents or may inspect the solicitation and evaluation documents in order to make a decision about the efficacy of making a protest. Such request must be in writing and sent to the Procurement Coordinator. State Parks will respond within five (5) business days of receipt of the request.

The requested documents will either be sent to or made available to the requesting Consultant, except for any portions of the documents that have been identified as Proprietary Information. State Parks will follow the process set forth in Section 6.13 Public Disclosure & Proprietary Information, before disclosing any portions of Responses that have been identified as Proprietary Information.

If more time is needed, State Parks will inform the requestor of the date the requested documents will be available.

5.3 PROTESTS

Consultants protesting this procurement shall follow the procedures described in below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to the Consultant under this procurement. State Parks will not accept any protest before the announcement of the Apparent Successful Consultant.

The protest procedure is only available to Consultants who submitted a response to this RFQ and who have participated in a debriefing conference. State Parks must receive a protest within five (5) business days of the debriefing.

5.4 GROUNDS FOR PROTEST

A protest may be made based only on the following grounds:

- A matter of bias, discrimination, or conflict of interest on the part of an evaluator;
- Errors in computing the scores; or
- Non-compliance with the procedures established in this Procurement document.

Protests not based on these grounds will not be considered. Protests will be rejected as without merit if they address issues such as: 1) An evaluator's professional judgment on the quality of a Response, or 2) State Parks' assessment of its own needs or requirements.

5.5 PROTEST FORM AND CONTENT

A Protest must state all of the facts and arguments upon which the Protest is based, and the grounds for the Protest. It must be in writing, clear and concise, and signed by a person authorized to bind the Consultant to a contractual relationship. At a minimum, the Protest must include:

- The name of the protesting Consultant, mailing address and phone number, and the name of the individual responsible for submission of the Protest;
- The RFQ number and title
- A detailed and complete statement of the specific State Parks actions under Protest;
- The grounds for the Protest;
- Description of the relief or corrective action requested.
- Consultant may attach supporting documentation to their Protest as they deem necessary and proper.

5.6 SUBMITTING A PROTEST

Protests must be in writing, must be signed by the Consultant and must be received by the State Parks Procurement Coordinator at the address below within five (5) Business Days after the debriefing conference. All protests shall be emailed to the Procurement Coordinator as follows:

Email: contracts@parks.wa.gov

The subject Line: **RFQ 325-236**: Protest by [Your firm's name].

Upon State Parks' receipt of a protest, a review and investigation will be conducted by a neutral party that had no involvement in the evaluation and award process. The reviewer will conduct an objective review of the Protest, based on the contents of the written Protest and the RFQ and any amendments, the Responses, all documents showing evaluation and scoring of the Responses record and any other pertinent information and issue a decision within ten (10) business days of receipt of the protest, unless additional time is needed. If additional time is needed, the protesting Consultant will be notified of the delay.

State Parks will make a final determination on the protest; in accordance with such findings, State Parks will:

- a. Find the protest lacking in merit and uphold State Parks' action; or
- b. Find only technical or harmless errors in State Parks' acquisition process and determine State Parks to be in substantial compliance and reject the protest; or
- c. Find merit in the protest and provide State Parks options which may include:
 - 1) that State Parks correct the errors and re-evaluate all Responses;
 - 2) that State Parks reissue the RFQ document and begin a new process;
 - 3) other courses of action as appropriate.

If the reviewer determines that the protest is without merit, State Parks may enter into a contract with the Apparent Successful Consultant. If the protest is determined to have merit, State Parks will take the appropriate alternative as noted in the preceding paragraph.

6 ADDITIONAL GENERAL PROVISIONS FOR ALL CONSULTANTS

6.1 ANNOUNCEMENT AND SPECIAL INFORMATION

By responding to this RFQ, a Consultant acknowledges they have read and understand the entire RFQ and accepts all information contained within the RFQ without modification.

6.2 CONTRACTING WITH CURRENT OR FORMER STATE EMPLOYEES

Specific restrictions apply to contracting with current or former state employees pursuant to chapter 42.52 of the Revised Code of Washington (RCW). Those restrictions also apply to any Consultant submitting a Response under this RFQ who has hired a former state employee. Consultants should familiarize themselves with the requirements prior to submitting a Response that includes current or former state employees.

6.3 AMENDMENTS TO THE RFQ

State Parks reserves the right to revise this RFQ. All changes will be made by written amendment. All official amendments will be posted in WEBS and will automatically become incorporated as part of this RFQ. If there are any conflict between amendments, or between an amendment and the RFQ, whichever document was issued last in time will be controlling.

Amendments will be made in consideration to the overall timeline; State Parks will determine whether extensions to the timeline are necessary.

6.4 RESPONSIVENESS OF CONSULTANT'S RESPONSE

Each Consultant is specifically notified that failure to comply with any part of the solicitation may result in rejection of their Response as non-responsive. Rejected, non-responsive Responses will not be scored. State Parks will not be liable for any errors or omissions in Consultant's Response. Consultants will not be allowed to alter their Response after the Response Submission Deadline.

It is the responsibility of each Consultant to carefully read, understand, and follow all the instructions contained in this RFQ, and in any future amendments. If a Consultant does not fully understand any Response requirement, said Consultant should submit an inquiry to the Procurement Coordinator. Consultants are hereby notified that failure to comply with any solicitation requirement may result in the Response being rejected as non-responsive. State Parks reserves the right to waive any administrative, minor irregularity in a Response, but it is not required to do so.

6.5 CLARITY AND CLARIFICATIONS

State Parks will make the sole determination of clarity and completeness of the Responses. No Response may be altered or amended after the submission deadline; however, State Parks reserves the right to contact a Consultant for clarification of responsive contents if necessary. NOTE: This clarification process is only used to clarify information that was contained within the Response; it is not a means of providing or incorporating new information that was otherwise not initially included. Evaluators have no obligation to seek or request a clarification; they may evaluate the response as provided.

6.6 COST OF RESPONSE PREPARATION

State Parks will not reimburse Consultants for any costs associated with preparing or presenting a Response to this solicitation.

State Parks will not be liable for any costs incurred by the Consultant in preparation or presentation of a responsive Response to this RFQ.

State Parks will not pay for any costs accrued prior to a mutually executed contract resulting from this RFQ.

6.7 OWNERSHIP OF RESPONSES

All Responses and materials submitted in response to this RFQ become the property of State Parks. State Parks has the right to use information or adaptations of information that is presented in a response, unless the information is marked "Proprietary" and is not: (1) already known to State Parks prior to receipt of the information in the Response or materials submitted in response to this RFQ, (2) subsequently disclosed to State Parks by a third party who has the lawful right to make such disclosure, or (3) lawfully publicly available. Selection or rejection of the offer will not affect this right.

6.8 FINAL SELECTION & NO OBLIGATION

State Parks reserves the right, at its sole discretion, to reject all responses without penalty and not to issue a contract as a result of this solicitation. State Parks further reserves the right to cancel or reissue this RFQ prior to execution of a contract, if it is in the best interest of State Parks to do so, as determined by State Parks in its sole discretion.

6.9 INCORPORATION OF RESPONSE IN CONTRACT

The Consultant's response, including all promises, warranties, commitments, and representations made in the successful Response, are binding and shall be incorporated by reference into State Parks' contract with the Consultant.

6.10 AGREEMENT TO STATE PARKS CONTRACT TERMS AND CONDITIONS

Attached as Exhibit B is a draft document that includes State Parks' contract terms and conditions. These terms and conditions will be incorporated into the final contract between State Parks and the Apparent Successful Consultant. Each Consultant's submission of its Response confirms that Consultant's consent to these terms and conditions.

6.11 STATEWIDE VENDOR PAYMENT REGISTRATION

Consultants are urged to be registered in the Statewide Vendor Payment system, prior to submitting a request for payment under this Contract. The Washington State Office of Financial Management (OFM) maintains a central contractor registration file for Washington State agencies to process contractor payments.

To obtain registration materials go to the Statewide/Vendor Payee Services (SWPS) website at <https://ofm.wa.gov/it-systems/statewide-vendorpayee-services> . The registration form has two parts. Part 1 is the information required to meet the above registration condition. Part 2 allows State Parks (and other state agencies) to pay invoices electronically with direct deposit. This is the most efficient method of payment and vendors are encouraged to sign up.

6.12 MINORITY WOMEN OWNED AND VETERAN OWNED BUSINESS ENTERPRISES

In accordance with the legislative findings and policies set forth in chapter 39.19 RCW, and RCW 43.60A.200 and 39.22.240, the State of Washington encourages participation by veteran owned business enterprises and Minority & Women Owned Business Enterprises (MWBE), either self-identified or certified by, respectively, the Department of Veterans Affairs or the Office of Minority & Women's Business Enterprises (OMWBE). While the State does not give preferential treatment, it does seek equitable representation from the veteran owned business and minority and women's business communities.

Participation by veteran owned and MWBE Consultants may be either on a direct basis in response to this RFQ or as a subconsultant to a prime Consultant. However, no preference will be given in the evaluation of Responses, no minimum level of MWBE or veteran-owned business participation shall be required, and Responses will not be evaluated, rejected or considered non-responsive on that basis.

Consultants may contact the Office of Minority & Women's Business Enterprises (OMWBE) at <https://omwbe.wa.gov/about-omwbe/contact-us-directions> and/or the Department of Veterans Affairs at <http://www.dva.wa.gov/program/certified-veteran-and-servicemember-owned-businesses> to obtain information on certified firms for potential sub-contracting arrangements or for information on how to become certified.

6.13 SUBCONSULTANT PARTICIPATION MONITORING AND REPORTING

Once a contract is awarded through the solicitation or proposal process, the awarded Prime Consultant is obligated to complete the vendor registration in Access Equity. Access Equity is a secure online vendor management system (B2GNow). Confidential information (Tax ID, etc.) will not be published. Prime Consultants that have previously registered with B2Gnow for any public entity, must verify the system has updated information. Consultants can access the system at <https://omwbe.diversitycompliance.com/> or through a direct link on the Office of Minority and Women's Business Enterprises (OMWBE) website at: <https://omwbe.wa.gov/>.

Each month during the contract, the Prime Consultant will report payments to ALL Subconsultants through the Access Equity system. This monthly reporting information includes total payment in dollars made to the Subconsultant, payment dates, and any additional information required to verify payment to Subconsultant. The Prime Consultant will enter this payment information into the Access Equity system, and the Subconsultants will verify this payment information in the system. Online training is available through the Access Equity/B2Gnow system. This requirement applies to both Prime Consultants and Subconsultants.

6.14 PUBLIC DISCLOSURE & PROPRIETARY INFORMATION

State Parks is subject to the Public Records Act, chapter 42.56 RCW. Bid submissions and evaluations may not be disclosed while the RFQ is pending (RCW 39.26.030); however, all of the submissions and evaluations may be disclosed after the announcement of the Apparent Successful Consultant. Portions of a Consultant's Response may be protected from disclosure through the process set forth below.

If a Consultant wants to protect any Proprietary Information that is included in its response, the information must be clearly identified by Consultant as Proprietary Information. Each page containing information that is claimed to be exempt from disclosure must be clearly identified by the word "Proprietary" printed on the lower right-hand corner of the page.

Any attempts to overly restrict disclosure through use of footers on every page and/or other like statements restricting disclosure will not be honored and may subject Consultant to disqualification.

State Parks will maintain the confidentiality of all information marked Proprietary to the extent consistent with the Public Records Act. If a public disclosure request is made to view Consultant's Proprietary Information, State Parks will notify the Consultant of the request and of the date that the Proprietary Information will be released to the requester unless the Consultant obtains a court order from a court of competent jurisdiction enjoining that disclosure. If the Consultant fails to obtain the court order enjoining disclosure, State Parks will release the Proprietary Information, on the date specified.

State Parks sole responsibility shall be limited to maintaining the Consultant's true and actual Proprietary Information in a secure area and to notify Consultant of any request(s) for disclosure for so long as State Parks retains Consultant's information in State Parks records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Consultant of any claim that such materials are exempt from disclosure.

Consultant may seek the information from all other Responses once the Apparent Successful Consultant is announced.

6.15 CIVIL RIGHTS COMPLIANCE

The **Director of the Washington State Parks and Recreation Commission**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all Consultants will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner's race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award. State Parks will also affirmatively ensure that any contract entered into pursuant to this solicitation will require full incorporation of these rights in relation to all employees, personnel, and agents of the Consultant.
